

Odessa Tigers

Serving the Community

Odessa graduates will be recognized at graduation for providing community service. Community Service is the donation of voluntary time and effort to a cause or project that benefits the community. In order to be recognized, the service must be:

- Performed outside of school hours
- Odessa community preferred
- Uncompensated - the student must not be paid in money or receive credit toward other activities.
- Completed between your 7th and 12th grade years

Students are responsible for keeping track of their hours on the form provided. All hours should be verified by the adult responsible, not your parent.
